

Makin' A Splash

Wednesday, June 23rd
11AM at the Sedona Public Library

Susie & Professor Know It All are back
with their new children's show *Makin' A Splash!*

The Professor and Susie will guide kids on a
musical journey of water songs like *Singin' In The Rain*,
Under The Sea, *Splish Splash* and many more!

This show is full of audience participation including
a music water trivia "quiz." It also has a positive message that
reading & school are cool and the
Library is the place to be!

Great musical fun for Ages 3 to 83!
